

SELECTION CRITERIA

Introduction

The purpose of Equestrian Western Australia's (EWA) High Performance Pathway is to assist talented combinations to further their equestrian development with the view to being selected onto Australian National Squads.

All squads are based on General and Competition criteria as listed below.

In selecting and assessing potential squad members, the WA State Selectors will source information from and consult with a range of suitable personnel with the appropriate expertise and knowledge.

Squads for the following year are selected based upon results from the preceding six to twelve months, as reviewed by the Selection Panel. Combinations may be asked to submit an application to **the EWA High Performance Manager (HPM)** to assist Selectors in their choices. All eligible WA riders will be reviewed by the State Selection Panel with successful applicants notified via email shortly after. Squads are reviewed year. Should a combination be considered for selection, they must then return a signed **Athlete Agreement & Code of Conduct** by the stated date to the EWA HPM. Current Squad riders will also be subjected to biannual performance reviews, and are not guaranteed a squad position if they do not meet criteria.

Combinations travelling Interstate or Overseas for the purpose of training and/or competition will be commended for their efforts, and should they continue to represent WA at the standards required, will remain listed to the Squad. In such cases, travelling squad members must continue to correspond with the **EWA High Performance Manager** as per guidelines in their Athlete Agreements.

EWA General Squad Criteria

Combinations are obliged to meet the following for inclusion on a EWA Rising Stars Development Squad:

- Riders needs to be a current **competitive member of EWA and their horse registered** with EA and micro chipped (up to the current year the rider turns 21yrs), and a **current Performance card** where required.

- Athletes will need to sign an **Athlete Agreement & Code of Conduct** before inclusion on to an EWA Squad.
- Horse and rider must be sound and fit to compete. Should the selected combination become unable to continue training or competition for any reason, they have the responsibility to notify the EWA High Performance and Athlete Development Manager in writing as soon as the incident occurs.
- Riders are expected to keep informed on Squad related information by checking their emails once a week as well as reading the EWA Weekly Newsletter, and face book page.
- Combinations are invited to attend squad training clinics and workshops **on their squad nominated horse.**
- Riders are strongly encouraged to attend the EWA Rising Stars Development Squad Clinics and Member Education Seminars. Should they be unable to attend, this needs to be communicated to the EWA High Performance and Athlete Development Manager in writing at the earliest indication.

In order to create a pathway from Interschool Programs to State and National Squad Programs, the EWA Rising Stars Development Squad Selection Criteria should follow the same structure of that at State High Performance level with its own cut off point.

Combinations must meet the above listed General Criteria as well as one of the following Competition Criteria in order to secure a place on the Rising Stars Squad.
