Whilst every attempt will be made to adhere to the start times in the draw, it is the rider's responsibility to be aware via the Marshall/Gear Checker if an arena is running ahead of schedule. If this does occur you may be asked to ride earlier than the draw time.

f) It is recommended that competitors report to the Marshall/Gear Checker for inspection 20 minutes prior to competing. Riders who do not complete a gear check will incur elimination.

g) Refunds and Scratchings - Entry fees will not be refunded after the closing date of entries unless a medical or veterinary certificate is produced within 5 days of the completion of the event. In such cases 50% of the entry fees will be retained by the PDC Committee. h) Warm up etiquette - Riding rules for warm up areas as documented in the EWA Handbook. Correct protocol in the warm up arena is expected. There is no lunging in the warm up areas. Round yards are provided for lunging by the SEC at the back of the polo field. Helmets must be worn when lunging.

i) Officials, Ground Staff and Volunteers: These people are essential in the running of our competitions and events. Please treat them with respect. Poor sportsmanship will not be tolerated. Verbal or physical bullying behavior will be reported to the CEO of EWA and disciplinary action will be taken where appropriate.

j) Duty of care: It is your responsibility to promptly report unsafe and or hazardous situations to the Event Organiser.

k) Stallion Code of Conduct: If this Code is adhered to, the likelihood of an accident involving a loose stallion will be minimized. It is understood that "accidents" can happen but taking all possible precautions and making all riders aware of the presence of a stallion minimizes the possibility of accidents.

1. Stallions must wear official green 'discs' at all times whilst at the venue. These discs are to be worn on both sides of head collars and bridles or on some part of the horse on both sides to identify to others that the horse is a stallion.
2. No stallion is to be moved around a venue without displaying the stallion discs and a suitable restraint. The restraint can be a bridle, a rearing bit or a chain lead rein over the nose or under the jaw.
3. Where possible all stallions are to be stabled. If suitable stabling is not available stallions need to wear a collar, which is securely tied to the outside of a truck or

- trailer. Stallions tied to the outside of a truck or trailer MUST be supervised at all times.
4. Stallions may be substituted in prize-giving ceremonies with another horse should the rider deem it to be safer.
 5. It is recommended that riders and handlers of stallions at shows be over the age of 17 years; however, it is the responsibility of the parent/guardian to understand the full code of conduct for stallions at events. With the exception of rule 1.1.8 in the Show Horse Rules and Guidelines, stallions are not permitted in Show Horse classes at EA State or Championship events. All riders/handlers under the age of 17 years must be supervised by an adult/parent/guardian whilst at the event.
 6. It is the stallion owner's/rider's responsibility to ensure that all possible safety precautions are taken.
 7. Floats/Trucks that transport stallions should display the official magnet giving notice that there is a stallion on board.

These guidelines are consistent with Equestrian Australia's focus on improving safety by identifying risks and putting in place measures to mitigate those risks.

I) Disclaimer of Liability: Neither the Organising Committee, nor Perth Dressage Club Inc, accepts any liability for any accident, loss, damage, injury or illness to horses, owners, grooms, spectators or any other person or property whatsoever.

ALL riders MUST have signed a disclaimer form prior to participation (EWA). This is a condition of insurance.
