Participation Classes and Phases

Ribbons to 6th place. Vouchers to 3rd Place.

1. CLASS SCORING

Class points will be allocated using the weighting, 1st = 28 points, 2nd = 27 points, 3rd = 26 points, and so on. All places from 29th onwards will be awarded 1 point.

Where possible, equality in class places will be resolved for places 1st – 10th. If it is not possible to break a tie, riders will be awarded equal placing and equal points, with the available points split equally between the equal placing's. For example, two riders may be awarded equal 3rd place and each will be awarded 25.5 points. The next placed rider would be awarded 5th place and 24 points.

Riders must complete all phases of a class without elimination or disqualification to be eligible for class points.

- Dressage – 1 phase
- Show horse – 3 phases
- Jumping – 1 phase (Primary 60cm & 70cm, Secondary 60cm, 70cm & 80cm)
- Jumping 2 Phases (Primary 80cm & 90cm, Secondary 90cm, 100cm, 110cm & 120cm)
- Combined Training – 2 phases
- Eventing – 3 phases

If a rider has ridden two horses in a class, each rider/horse combination is eligible for class placing's.

1.1 DRESSAGE

CLASS AWARDS:

The rider with the highest percentage score is awarded 1st, the rider with the next highest percentage score is awarded 2nd place, the rider with the next highest percentage score is awarded 3rd place and so on up to 6th place.

To resolve equality for class places:

The rider with the highest total collective marks is awarded the higher ranking. If equality still remains riders are awarded equal placing and equal points. Equality of places will be determined by EA National Dressage Rules.

CHAMPIONSHIP AWARDS:

In each phase the first placed horse will get 28 points, second will get 27 points, third will get 26 points and so on down to 29th horse receiving 1 point, if there are more than 28 riders in a class riders placed beyond 28th receive 1 point. The total points earned across the two phases will determine the championship placings. Placings from 1st to 6th will be awarded in each phase for these classes. Equality of places will be determined by EA National Dressage Rules.

These points are used to determine special Individual and Team Awards.

1.2 EVENTING

CLASS AWARDS:

The penalty points for each phase are added together. The rider with the lowest total is awarded 1st place, the rider with the next lowest total is awarded 2nd place, and the rider with the next lowest total is awarded 3rd place and so on. Class points will be allocated using the weighting, 1st = 28 points, 2nd = 27 points, 3rd = 26 points, and so on. All places from 29th onwards will be awarded 1 point.

To resolve equality for class places:

The rider with the lowest cross country obstacle score (total of penalties) is awarded the higher ranking. If equality still remains, the rider with the time closest to optimum time in the cross country is awarded the higher ranking. If equality still remains, the rider with lowest jumping score (total of all penalties) is awarded the higher ranking. If equality still remains, the rider with fastest jumping time is awarded the higher ranking. If equality still remains, the rider with the best total of collective marks in the dressage test score is awarded the higher ranking. If equality still remains riders are awarded equal placing and equal points.

1.3 COMBINED TRAINING

CLASS AWARDS:

The penalty points for each phase are added together. The rider with the lowest total is awarded 1st place, the rider with the next lowest total is awarded 2nd place, the rider with the next lowest total is awarded 3rd place and so on. Class points will be allocated using the weighting, 1st = 28 points, 2nd = 27 points, 3rd = 26 points, and so on. All places from 29th onwards will be awarded 1 point.

To resolve equality for class places:

The rider with the best dressage score is awarded the higher ranking. If equality still remains, the rider with the time closest (and under) to the optimum jumping time is awarded the higher ranking. If equality still remains riders are awarded equal placing and equal points.

1.4 SHOW JUMPING

The competition will be run according to the article number allocated to the class. Primary 60cm & 70cm, Secondary 60cm, 70cm & 80cm will be run as a single class. Primary 80cm & 90cm, Secondary 90cm, 100cm, 110cm & 120cm will be run as two phases – Phase 1 Article 274.5.3 and Phase 2 Article 238.2.2. Class points will be allocated using the weighting, 1st = 28 points, 2nd = 27 points, 3rd = 26 points, and so on. All places from 29th onwards will be awarded 1 point.

CLASS AWARDS:

The rider with the lowest score (total of penalty points) in the jump off is awarded 1st place, the rider with the next lowest score is awarded 2nd place, the rider with the next lowest score is awarded 3rd place and so on. Class points will be allocated using the weighting, 1st = 28 points, 2nd = 27 points, 3rd = 26 points, and so on. All places from 29th onwards will be awarded 1 point.

Once all riders who competed in the jump off are placed the remaining riders are placed based on their total penalty points for the 1st round. The rider with the lowest penalty score (total of jump and time penalties) is awarded the next available place and so on.

To resolve equality for each class:

The rider with the fastest time in the jump off is awarded the higher ranking. If equality still remains, the rider with the lowest penalty score (total of jump and time penalties) in the 1st round is awarded the higher ranking. If equality still remains, the rider with the fastest time in the 1st round is awarded the higher ranking. If equality still remains riders are awarded equal placing and equal points.

For riders who only competed in the 1st round equality is resolved by considering the time taken to complete the 1st round. The rider with the fastest time in the 1st round is awarded the higher ranking Scoring System If equality still remains riders are awarded equal placing and equal point.

The following classes are scored under the below scoring system.

Primary 80cm & 90cm, Secondary 90cm, 100cm, 110cm & 120cm

In each phase the first placed horse will get 28 points, second will get 27 points, third will get 26 points and so on down to 29th horse receiving 1 point, if there are more than 28 riders in a class riders placed beyond 28th receive 1 point. The total points earned across the two phases will determine the championship placings. Placings from 1st to 6th will be awarded in each phase for these classes.

Classes may be split depending on entry numbers and placings and points awarded within each phase and division, however all divisions will be combined to determine the championship.

These points are used to determine special Individual and Team Awards.

1.5 SHOW HORSE

CLASS AWARDS

The points based on placing's for each phase are added together. The rider with the highest total is awarded 1st place, the rider with the next highest total is awarded 2nd place, the rider with the next highest total is awarded 3rd place and so on. Class points will be allocated using the weighting, 1st = 28 points, 2nd = 27 points, 3rd = 26 points, and so on. All places from 29th onwards will be awarded 1 point.

To resolve equality for each class:

The rider with the best result in phase 3 Ridden (Show Horse or Show Hunter) or phase 3 Ridden/Jumping (Working Hunter) is awarded the higher ranking. If equality still remains, the rider with the best result in phase 2 (Rider) is awarded the higher ranking. If equality still remains the rider with the best result in phase 1 (In Hand) will be awarded the higher ranking. If equality still remains riders are awarded equal placing and equal points.

To resolve equality in each phase:

Phase 1: In Hand

The horse with the highest Conformation and Soundness score will be awarded the higher ranking. If equality still remains, the horse with the highest Manners and Paces score will be awarded the higher ranking. If equality still remains, the rider with the highest Ringcraft score will be awarded the higher ranking. If equality still remains, the horse and rider combination with the highest Presentation score will be awarded the higher ranking. If equality still remains both horse and rider combinations are awarded equal placing and equal points.

Phase 2: Rider

The rider with the highest Riding Position score will be awarded the higher ranking. If equality still remains, the rider with the highest Ringcraft score will be awarded the higher ranking. If equality still remains, the rider with the highest Presentation score will be awarded the higher ranking. If equality still remains riders are awarded equal placing and equal points.

Phase 3: Ridden Show Horse or Show Hunter

If equality still remains, the horse with the highest Freedom of Action score will be awarded the higher ranking. If equality still remains, the horse with the highest Conformation and Presentation score will be awarded the higher ranking. If equality still remains both horse and rider combinations are awarded equal placing and equal points.

2. DISCIPLINE TEAM SCORING

Champion School and Reserve Champion School are awarded for each discipline (dressage, eventing, combined training, show jumping and show horse).

For each discipline the school team comprises the four (or three if only three riders are eligible) highest scoring riders in that discipline. The points of the **three** highest scoring team members are totalled to give the team score. The score of the 4th team member (if there is one) is used to resolve ties. The team with the highest total is awarded 1st place (Champion School) and the team with the next highest total is awarded 2nd place (Reserve Champion School).

Example

Secondary Dressage:

4 highest scoring riders for School ABC

RIDER	PRELIM	NOV	ELEM	TOTAL
121		27	23	50
134	21			21
145			20	20
98	15	4		19

The school team score is 91 (50 + 21 + 20).

A team may consist of 3 or 4 riders.

Equality in points will be resolved for the Champion School and the Reserve Champion School awards. The school whose 4th rider has the higher total score will be ranked higher. If equality still remains the class placing's of the individual team members will be considered (for example a school score of 102 (28+28+26+20) will be ranked higher than a school score of 102 (28+27+26+21). If equality still remains, the level of competition will be considered, with scores from higher-level competition ranked higher than equivalent scores from lower level competition.

If riders with equal total points are vying for team inclusion for the purpose of awarding championships, the class placing's of riders will be considered (for example a total of 26 points obtained from a single class result would be ranked above a total of 26 obtained from 2 class results (eg 26 = 20+6). If equality still remains the level of competition completed, will be considered with scores from higher-level competition ranked higher than equivalent scores from lower level competition.

If a rider has ridden two horses in a discipline, only the rider/horse combination with the highest score will be considered when determining the school team score ie a rider can only be in a team on one horse.

3. OVERALL SCHOOL TEAM AND OVERALL COUNTRY TEAM SCORING

Points obtained (across all disciplines) by each school member are totalled. The school team comprises the four highest scoring riders. The points of the **three** highest scoring team members are totalled to give the school score. The score of the 4th team member (if there is one) is used to resolve ties. The school with the highest total is awarded Overall Champion School, and the school with the next highest school will be awarded Overall Reserve Champion School.

Equality in points will be resolved for the Champion School and the Reserve Champion School awards. The school whose 4th rider has the higher total score will be ranked higher. If equality still remains, the class placing's of the individual team members will be considered (for example a school score of 102 (28+28+26+20) will be ranked higher than a school score of 102 (28+27+26+21). If equality still remains, the level of competition will be considered, with scores from higher-level competition ranked higher than equivalent scores from lower level competition.

If riders with equal points are vying for team inclusion for the purpose of awarding championships, the class placing's of riders will be considered (for example a total of 26 points obtained from a single class result would be ranked above a total of 26 obtained from 2 class results eg 26 = 20+6). If equality still remains the level of competition completed will be considered with scores from higher-level competition ranked higher than equivalent scores from lower level competition.

If a rider has ridden two horses, only the rider/horse combination with the highest score will be considered when determining the school team score a rider can only be in a school team on one horse.

4. OVERALL CHAMPION RIDER AND OVERALL RURAL RIDER SCORING

Points obtained (across all disciplines) by each rider/horse combination are totalled. The rider/horse combination with the highest total score is awarded Overall Champion Rider, the rider with the next highest score is awarded Overall Reserve Champion Rider.

Equality in points will be resolved for the Champion Rider and the Reserve Champion Rider awards. The class placing's of riders will be considered (for example a total of 26 points obtained from a single class result would be ranked above a total of 26 obtained from 2 class results (eg 26 = 20+6). If equality still remains the level of competition completed will be considered with scores from higher-level competition ranked higher than equivalent scores from lower level competition.

If a rider has ridden two horses, only the rider/horse combination with the highest score is eligible for rider awards.

5. INDIVIDUAL TROPHIES, BREED AWARDS AND YEAR GROUP AWARDS

Points will be allocated as follows:

Class points will be allocated using the weighting, 1st = 28 points, 2nd = 27 points, 3rd = 26 points, and so on. All places from 29th onwards will be awarded 1 point.

No points will be used from heats or phases. Points are only used from the overall class.

Points obtained (across all disciplines) by each rider/horse combination are totalled. The rider/horse combination with the highest total score is awarded Year Group Champion Rider.

If a rider has ridden two horses, only the rider/horse combination with the highest score is eligible for rider awards.
