2020 SADDLES PLUS INTERSCHOOL FESTIVAL

What's different?

Equestrian WA, in conjunction with our event partners Saddles Plus, are excited to be able to bring you the 2020 Saddles Plus Interschool Equestrian Festival. In a year of uncertainty and great change, we are pleased to be able to offer this popular event to the youth equestrian community.

As with many events this year, there are changes to the familiar format. These are:

1. Due to the cancellation of the national event, this event will not be able to serve as a qualifier for the Australian Interschool Championships;
2. A reduction in the program from a four-day event to a two-day festival;
3. Revision of event qualification to be a competency-based model. For the safety of horses and riders, entrants will be required to prove that they are able to compete at their entered height or level (or below). See pages 21 to 26 for more information.
4. The removal of 'competitor' and 'participant' classes with all students able to compete for their school. Entrants who hold 'Competitor' memberships will be eligible for individual championship points and a 2020/21 event leaderboard competition;
5. To ensure efficient scheduling, horses are limited to a maximum of three classes. Riders can enter a maximum of two horses.
6. The removal of the 2020 Interschool Leaderboard competition;
7. A reduction in entry and administration fees (yay!).

We are also excited to bring you a Family and Sponsors evening on Saturday from 6pm. Everyone is invited to join the event team and our valued sponsors at a special Mexican Fiesta which will also involve the highly anticipated 'Unmounted Team Challenge' (see page 13 for more information).

Thanks so much for your support of this wonderful equestrian event. We are looking forward to a weekend of friendship, fun and competition.

4.0 SADDLES PLUS STATE INTERSCHOOL EQUESTRIAN FESTIVAL INDIVIDUAL AND TEAM AWARDS

Points for individual and team awards are accrued across all classes

4.1 Teams

Schools can enter as many riders per class as they wish. The top four riders from each discipline per school division will be taken to make up the team, with the top three scores counting towards the team score, and the fourth score to be used in a tie. Therefore schools will not need to nominate teams. Individuals are still encouraged to compete and may be allocated a composite team within their discipline pending entries. School uniform rules apply to individuals as well as teams. Individual riders are eligible for individual awards.

4.2 Individual Rider and School Point's Allocation

In each phase the first placed horse will get 28 points, second will get 27 points, third will get 26 points and so on down to 28th horse receiving 1 point, if there are more than 28 riders in a class they receive 1 point. The total points earned across the three phases will determine the championship placings.

- Classes may be split depending on entry numbers and placings and points awarded within each phase and division, however all divisions will be combined to determine the championship.
- These points are used to determine special Individual and Team Awards.

4.3 Individual and Team Awards
