**a) International Competition**

Travel and/or accommodation cost for out of State officials (such as judges, technical delegates, course designers and stewards) at Australian FEI events, especially if they run clinics for the education of officials or riders.

**b) State Championship Competition**

Travel and/or accommodation cost for out of state officials (such as judges, technical delegates, course designers and stewards) at high level state Championship events, especially if they run clinics for the education of officials or riders.

This should be for the beginning level of the Sport directed at riders that have had no or little competition experience.
