## 2. DISCIPLINE TEAM SCORING

Champion School and Reserve Champion School are awarded for each discipline (dressage, eventing, combined training, show jumping and show horse).

For each discipline the school team comprises of four riders the top 3 (or three if only three riders are eligible) highest scoring riders in that discipline. The points of the three highest scoring team members based on the championship results are totalled to give the team score. The score of the $4^{\text {th }}$ team member (if there is one) is used to resolve ties. The team with the highest total is awarded $1^{\text {st }}$ place (Champion School) and the team with the next highest total is awarded $2^{\text {nd }}$ place (Reserve Champion School).

## Example

Secondary Dressage:
The top 3 results highest scoring riders for School ABC. Only the highest point is taken forward for the team awards (points highlighted)
$\begin{array}{llllll}\text { PRELIM 2.3 } & \text { NOV 2.3 } & \text { ELEM 3.3 } & \text { MED } 4.2 & \text { ADV 5.2 } & \text { TOTAL }\end{array}$ RIDER

|  | 27 | 23 |  |  | 27 |
| :--- | :--- | :--- | :--- | :--- | :--- |
| 21 | 30 |  |  |  | 30 |
|  |  | 20 | 27 |  | 27 |
|  |  |  | 15 | 4 | 15 |

The school team score is $84(27+30+27)$. A team may consist of 3 or 4 riders.
Equality in points will be resolved for the Champion School and the Reserve Champion School awards. The school whose $4^{\text {th }}$ rider has the higher total score will be ranked higher. If equality still remains the class placing's of the individual team members will be considered (for example a school score of $102(28+28+26+20)$ will be ranked higher than a school score of $102(28+27+26+21)$. If equality still remains, the level of competition will be considered, with scores from higher-level competition ranked higher than equivalent scores from lower-level competition.

If a rider has ridden two horses in a discipline, only the rider/horse combination with the highest score will be considered when determining the school team score ie a rider can only be in a team on one horse.
