Card Number:															

### Article 138 - Names of Horses

- Horses registered with EA are registered for life. A horse can only be registered once with EA, but may upgrade from Base to Life registration where appropriate. Members attempting to do a new registration of a horse that is already registered may be subject to penalty. See EA Disciplinary By-Laws.
- In principle, the first registered name of a horse registered with EA will remain on permanent record.
  - When applying for the initial registration of a horse or pony with EA at least five names ranked in preference must be given.
  - Horses cannot be registered as trade names i.e. Versace, Calvin Klein or Nescafe. This is an FEI rule.
  - Horse names may not to exceed 28 characters including spaces.
  - There are certain horse names which may never be reused even if the horse is retired or deceased. These names have been given exclusive rights if the horse has made significant achievements usually relating to the Olympic or World Equestrian Games e.g. *Peppermint Grove, Kibah Tic Toc*.
  - Prefix initials (e.g. "CH") are not permitted. (Example: "November Rain" cannot be "CH November Rain".)
  - Punctuation marks (e.g. full stops, commas, etc.) and special characters (e.g. [asterisk] \*, [ampersand] &, etc.) must not be used in names. (Example: "Mr Burns" cannot be "Mr. [full stop] Burns".)
- Horses that have been registered with another recognized breed society may be EA registered using that name. Where the name exists already, a trailing number may be added. This rule also applies to horses being imported into Australia.
- If the owner applies for a name change or a change to the commercial prefix/suffix, the horse horse's registration papers and Identification Document must retain the old name or prefix/suffix for the next 12 months as follows: *new name* and/or *new prefix/suffix ex previous name/prefix/ suffix*.
- A horse/pony name including a prefix or suffix may be registered with EA provided it complies with one of the following conditions:
  - A commercial prefix/suffix may be added to the name, and must be entered in the passport and registration papers. However, at Regional and Olympic Games under the patronage of the IOC, such prefix/suffix cannot appear in a program and cannot be used in any other way.
  - A Breeder/Stud prefix or suffix shall be given to a horse or pony bred by breeders and studs who are a member of EA or a recognised Breed Society. Breeders/Studs can register a prefix/suffix with EA for this purpose on application and the payment of a fee.
- EA reserves the right to refuse to register any horse under any particular name.
