Reason / objectives for interest in representing EWA on the Dressage WA Committee:	In the changing environment of Equestrian Sports, especially in the lead up to Brisbane 2032, the need for volunteered time in support of our athletes, both equine and human, becomes increasingly important. Better governance, improved reporting/monitoring, welfare issues all requires more. More people, giving more time, to do more. I am putting my hand up to help.

Life/Business experience:	Almost 4 decades of working experience in many areas of business. Running a team of 40+ with over 20,000 personnel, built from scratch. Relocated with family to Australia 25 years ago and transitioned to General Management. Was responsible when at TOLL as part of Dept of Defence contract, for mobility of 2,500+ personnel in/out of NSW yearly. Now running small team in logistics operations for TAXIBOX in Perth
General comments:	Father to 3 grown up girls (30 & 26yo) and a semi-adopted daughter (also 30) and with 2 grandsons in NSW, I am continuing to achieve my parental aim of providing as good an upbringing for them as I recieved from my parents. Now I have some time to give back to the sports that I am passionate about and to the animals which I have always felt a strong connection to; beginning from when being taught to ride with weekly lessons on the ponies at the famous Suzanne's Riding School in Harrow, NW London from the age of 6yo.
