Previous Board / Committee experience:	Eventing WA committee member 2026 Safety Committee Chair - Metrowest Safety Committee member - WACA
Reason / objectives for interest in representing EWA on the Eventing WA Committee:	I want to continue contributing to Eventing WA and help deliver practical outcomes for riders and the sport. My focus is improving communication and rider engagement, encouraging participation and turning good ideas into achievable projects. I want riders at all levels to feel represented and have a clear avenue to provide feedback.
Equestrian history:	My equestrian background is predominantly eventing, having competed through to 3* level. I have bred performance horses for approximately 15 years and have experience producing and managing competition horses. My involvement now extends to breeding, horse ownership, committee involvement and the equestrian industry.
