Equestrian Western Australia acknowledges the Australian Aboriginal and Torres Strait Islander peoples of this nation. We acknowledge the traditional custodians of the lands on which our company is located and where we conduct our business. We pay our respects to ancestors and Elders, past and present. Equestrian Western Australia is committed to honouring Australian Aboriginal and Torres Strait Islander peoples' unique cultural and spiritual relationships to the land, waters and seas and their rich contribution to society.

Welcome to the Saddles Plus Interschool Equestrian Festival and combined Training Championship!

2019 has seen a few changes to the format of this event including separation of the Combined Training Championship now held as a standalone event incorporating open classes. We welcome 84 riders and 101 horses competing in the Inaugural Saddles Plus Interschool Combined Training Interschool and Open Championship with 46 of these horses being Interschool Championship Competitors aiming for selection at the Australian Interschool Championships later this year.

The Saddles Plus Interschool Equestrian Festival welcomes 140 riders compete in 618 class entries in show horse, jumping and dressage over the three days of competition. The dressage phase of the Saddles Plus Interschool Equestrian Festival now also sees rider's complete two tests at each level for a championship overall award offering more opportunities to compete and a fairer selection method for the Australian Championships. It is exciting to see the depth of horses and riders subscribing to these classes and we look forward to seeing three competitors compete in the Advanced class in 2019. These classes will be held on Friday and Saturday afternoon and I strongly encourage all riders to support these competitors who have worked hard to compete at this level as youth athletes.

2019 will see jumping championship classes held in the C Quest Arena with participation classes starting at 45cm and championship classes offered up to 120cm. Again, a strong contingent of riders have nominated for these events with two strong riders – Izabelle Dobson and Breanna Possingham - nominating for this top class. Held on Saturday and Sunday afternoon these classes are great watching and the competitors should be congratulated for qualifying and competing at this level as junior riders.

Saturday evening will see a special show in the Indoor Stadium - the Saddles Plus All Star Challenge. Commencing at 6:30pm we welcome World Cup Jumper Caitlin Bolger, FEI 5* Eventing riding Tegan Lush, Australian Show Horse Competitor Christine Lambert and FEI Dressage rider Elizabeth Tollarzo who will be challenged by swapping disciplines for the evening! In addition to this, we will also have a Shetland derby featuring previous Saddles Plus scholarship winners. All competitors, family and friends are invited and general admission is free of charge. Tickets for VIP seats that include a delicious buffet meal by Mamalilli Café are available online – get in quick before they are all sold.

Currently the State Equestrian Centre is requiring urgent funding to secure its existence. You may have seen the #SaveTheSEC campaign already. If not, I urge you to go online and learn about what you can do to assist in keeping this valuable asset in the equestrian community or talk to one of our advocates at the event.

The Eventing Championship for 2019 will be hosted by Eventing Promotions Inc at Brigadoon CCN-S on the 25-26 May 2019. Qualification nominations for this close Monday 29 April – please ensure these cards are submitted by then. It is for this reason the overall awards will be presented to award winners at a special presentation evening on the 6 July at the State Equestrian Centre. Planning for the evening is well underway and promises to be a memorable and entertaining evening.

Thank you to the tireless members of the Interschool working party, officials and volunteers who offer their services to ensure the success of the event. It takes more than 50 officials, working party and volunteers each day to ensure the event runs smoothly and is a success and without them there would be no event so thank you.

A CAREER WITH HORSES

The race that stops the nation! Everyone stops on the first Tuesday in November to watch it! But not everyone realises how many jobs and what exciting careers are available working in the Racing Industry, one of Australia's largest industries.

Being a Jockey is a full time career. Jockeys learn their trade over the course of a four year apprenticeship with Racing and Wagering WA (RWWA). The Apprentice Jockey Training Program aims to develop professional athletes in a high-performance environment. It can even lead to an international career in the racing industry following completion of training and attainment of a jockey licence!

During the four years apprentices are employed full-time and receive a fortnightly wage throughout their training in addition to income from riding in races. All training is completed by qualified Jockey Coaches

TRACKWORK RIDER

A Trackwork Rider helps exercise racehorses under the instruction of a Racehorse Trainer. Trackwork Riders are similar to Jockeys but they don't ride in races and don't have the same weight restrictions.

Australian trained trackriders are some of the best in the world and are keenly sought after, both for working holidays and overseas employment.

HELPERS & TEAM MANAGERS

Team Managers are responsible for ensuring that nominated helpers report for their duties. Team Managers are not to nominate as Volunteers unless their school is not riding that day. In the case that there is only one rider from a school and the team Manager is the parent of the sole rider, then it is their responsibility to supply a volunteer to complete their helper duty. A Volunteer can be a nominated person from 16yrs and upwards. Riders in participation classes are also expected to provide a helper. Team managers are not required for riders competing in participation classes.

At the Saddles Plus Interschool Equestrian Festival, volunteers will include numerous parents and other supporters who become de-facto EA "Officials". Abuse by a rider, parent or associated person that is aimed at any official at any EWA / INTERSCHOOL event will not be tolerated. Incidents of this nature will result in immediate elimination of the rider. Many of our helpers are experienced; others are not. Be sure to ask for assistance if you are unsure of what to do.

It is the team managers responsibility to notify the helper coordinator and find a replacement if a helper from your school is unable to fulfil their allocated duty.

Team managers are the team's port of call for contact. All competitors that have queries or disputes must report to their school's team manager only. Please do not contact the OC directly.

HELPER ROSTER

Helpers are essential to the running of this event. Helper bonds are charged \$100 per horse/rider combination and will be refunded following the event after completion of allocated helper duty/ies.

Helper duties are approximately 3-4 hours in duration. Please check the position description prior to nominating for a duty.

Riders who nominate one horse for three disciplines may be asked to provide an extended duty.

There will be a volunteer roster posted on www.nominate.com.au and emailed to all riders following close of entries. Riders must nominate a helper duty per horse via this online platform and complete their duty/ies to have their bond returned following the event. All volunteer nominations must be completed through this online registration.

Helpers who do not perform their designated duty will eliminate the rider they are assigned to help.

Failure to nominate helper duties online will result in forfeiting the helper fee. All fees forfeited will be used to pay pre-arranged volunteers.

At the event helpers must report to the volunteer tent 15 minutes prior to the allocated time. Helpers are re-

quired to sign in and pick up required equipment. At the completion of the helpers must duty to report back to the tent to sign off and return equipment. Only when this process is completed that the bond will be processed back to the nominated credit card.

It is a legal requirement of all volunteers, working with children, to have their "Working with Children" clearance. If you are a parent of a child competing in the State Event you do not require a clearance. If you are not a parent or teacher and you will be helping, in any way at the 2018 Saddles Plus Equestrian Festival you will require a clearance. Can you please organise this, at your earliest convenience. There is a link on the EWA website to help you.

Rubbish

Bins will be placed around the event. Please use them,

taking care not to leave rubbish loose on the ground, particularly plastic bags that can spook horses as well as bottles and cans etc. Please note the State Equestrian Centre has a no glass policy.

VET, MEDICAL & FARRIER AID

If you need assistance, please ask one of the marshals on the ground who will have a two way radio to contact the organizers. We certainly hope that we won't need the services of these people but, of course, we have to have them on hand, just in case. If any doctors and vets could volunteer to be on duty on one of the days of the Festival it would be a great help. Any costs incurred will be the responsibility of the owner or individual requiring the treatment.

IMPORTANT ETIQUETTE

Please respect the riders and horses by not yelling, running, or interrupting when they are competing or in the stable and warm-up areas. Spectators must enter the indoor arena quietly or wait until a competitor is finished, i.e. during jumping rounds or dressage tests. It is particularly important during this very busy weekend to exercise restraint and quiet where possible, since horses are upset by sudden noise and movement and could endanger children on the grounds.

TEAM MANAGERS MEETING

The first Team managers meeting will be held in the classroom at the Trade Village area on Friday 26 April at 7:00am. It is essential that all Team managers attend this meeting for information pertaining to the Festival and any changes. There will be a team managers meeting on Saturday 27 and Sunday 28 April at 7.30am in front of the classroom. These meetings provide vital information that is required to give to your team during the day. If you are unable to attend for any reason team managers will need to send another representative in your place to inform the riders of any information given.

SADDLES PLUS STATE INTERSCHOOL EQUESTRIAN CHAMPIONSHIP INDIVIDUAL & TEAM AWARDS

Points for individual and team awards are ONLY accrued in championship classes, not participation classes.

TEAMS

Schools can enter as many riders per class as they wish. The top four riders from each discipline per school division will be taken to make up the team, with the top three scores counting towards the team score, and the fourth score to be used in a tie. Therefore schools will not need to nominate teams. Individuals are still encouraged to compete and may be allocated a composite team within their discipline pending entries. School uniform rules apply to individuals as well as teams. Individual riders can qualify for the Australian Championships, as well as be eligible for individual awards.

INDIVIDUAL RIDER AND SCHOOL POINT'S ALLOCATION

In each phase the first placed horse will get 28 points, second will get 27 points, third will get 26 points and so on down to 28th horse receiving 1 point, if there are more than 28 riders in a class they receive 1 point. The total points earned across the three phases will determine the championship placings.

- · Classes may be split depending on entry numbers and placings and points awarded within each phase and division, however all divisions will be combined to determine the championship.
- These points are used to determine special Individual and Team Awards.

Scoring for Individual and Team Awards State Titles will be conducted as per the National Interschool Championship rules. Individuals will receive points for in each class. Points are allocated based on 28 for first down to 1. (i.e. 28, 27, 26, 25...1). The points received in each class are totaled to decide the Champion, Reserve Champion individuals and 3rd to 6th place prizes.

CHAMPION TEAMS: When calculating a state team score, the total individual points of the top three individuals within the team are counted. The fourth member's points (if there is a 4 th member) are used only to determine the outcome in the case of a tie.

Please see the Scoring Information Document on the Interschool WA Website for further information on scoring.
