|---------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Name: | Karen Jane McInnes |
| Equestrian interest: | Show Jumping |
| Previous Board / Committee experience: | 1990 - 1999 GCEC (General) 1999 – 2016 WASJA (General, Secretary, and President) During the above time I was responsible for all aspects of running events, liaising with corporate bodies, agendas, minutes, financials, mentoring and governance. |
| Reason / objectives for interest in representing EWA on the Board of Directors or on a Committee: | Throughout my 40+ years in the sport I have gained invaluable experience, from competing in different disciplines, but for the last 30 years I have focused solely on showjumping competing at a high level and also amateur and lower levels with young horses. I feel it is now time to give back to the sport. I have a wealth of experience and would be honored to pass on what I have learnt on my journey in this sport. |
| Equestrian history: | I have been competing from age 8 and was a member of the Moonyoonooka Pony Club for 18 years representing the club and the Northern Zone at PCAWA State Horse Trials, PCAWA Championships. EWA Show Jumping squad in 1996. Member – WASJA Show Jumping Squad. Sponsor of the Gaenor McInnes Memorial since 2005 and other numerous sponsorships. |
| Business experience: | Worked in family business – data entry, job quotes, bookings. Successfully ran a farrier business and agistment/training centre for a number of years. Today running a small agistment centre in the Swan Valley. Currently hold a directorship and sole management position in our medium sized family company based in Geraldton. |
| General comments: | My aim is to be there for the sport for all aspects and to always strive for what is best for the future of the sport. I also want to encourage riders of all levels and to remain open minded. |
