As Chair of Pony Club WA State Dressage Committee, I have been responsible for the development of dressage at both a grass roots level & state level, and responsible for the State Dressage Championships each year, ensuring that the event caters for all level of rider within Pony Club WA
Reason / objectives for interest in representing EWA on the Para-Equestrian WA Committee:	I am keen to see the dressage discipline promoted within WA, and to ensure rural riders are represented, have access to and can participate in competitions, developmental opportunities, and ensure access to expertise to assist riders attain their riding goals. As a Para Dressage judge I am keen to assist support the development of this discipline stream by developing and promoting inclusion of Para and Virtus competitions and development opportunities within WA.
Equestrian history:	I have specialised in the are of dressage for the last 25 years, competed up to FEI level, trained 3 horses to FEI level, am a EA level 1 dressage coach and C level / Para dressage judge. Over the last 10 years I have participated in and support development of junior riders at a grass roots level with the aim of fostering a love of dressage
Life/Business experience:	I have coached and trained a number of horses to various levels of dressage, Am a level 1 dressage coach, level 1 Pony Club coach, have a equine business that specialises in breeding dressage horses and have trained horses to and and ridden at the higher levels in dressage. I am currently working though my B level judges upgrades and hope to continue through the judging levels. On a personal note I have coached my 2 daughters through the dressage levels and they are currently selected for the EA WA Interschool team and competing in Werribee at the Horseland 2026 Interschool Championships in dressage.
General comments:	I would like to see the discipline of dressage remain strong in WA, and would like to see rural riders encouraged to strive for the higher levels of dressage with support and opportunities be that in able body or Para/Virtus dressage streams. I believe WA has a lot to offer and with innovation and technology there are may opportunities for access to development and training opportunities for all dressage riders within WA. I would also like to see strong opportunities of junior riders to have access to development opportunities to aid in guiding and developing their dressage and equine skills. I would also like to see Para and Virtus opportunities be included in all development and competition opportunities and feel that clubs within WA require support and encouragement to embrace these additional pprograms.
