

# Stable Management Plan

To ensure the State Equestrian Centre facilities are maintained to high standards this document will demonstrate our Stable Management Plan for users visiting and hiring the facilities.

## Stable Hire Fees & Bonds

### Stable Hire

- **\$50 per stable per day (EWA Members)**
- **\$70 per stable per day (Non-EWA Members)**

### Cleaning Bond

- **\$50 per stable**

These fees are payable at time of booking.

Bond returned within 14 days should stables be left clean and locked. Refer to section on Cleaning Requirements.

### **\*NEW\* Lock Replacement Fee**

This fee is part of a new stable management structure and will be charged for any lost or stolen locks. We now require all hirers to **clean** and **lock stables** before departure at the end of their hire period.

### **\$68 per stable**

Note – outstanding lock replacement fees must be paid before future bookings can be made.

## Cleaning Requirements

We ask you to return the stable to the same standard it was provided. If you are unhappy with the standard of cleanliness we have provided, we ask you to take photo's and provide feedback to [facilities@equestrianwa.org.au](mailto:facilities@equestrianwa.org.au).

To ensure a **clean stable** and return of your bond please:

- |   |   |
|---|---|
| <input type="checkbox"/> Remove all manure      | <input type="checkbox"/> Rake surface level |
| <input type="checkbox"/> Remove all wet bedding | <input type="checkbox"/> Lock stable        |
| <input type="checkbox"/> Remove all hay         |   |

Stables will be inspected by SEC staff after departure.

We recommend taking your own photo of lock and stable cleanliness upon exit to ensure transparency.

What is considered 'Not Clean':

- Manure remaining
- Hay remaining
- Wet bedding
- Not raked even

**NOT CLEAN**

**We thank you for your co-operation in abiding by the stable management plan.**

For any further information regarding stable standards please contact us via [facilities@equestrianwa.org.au](mailto:facilities@equestrianwa.org.au)
